

His Name Was Dennis at the End, but He Was Once the "Pilot Dude."

La Crosse, Wis., Sept. 28.—Dennis Shea died in the hospital here of pneumonia. His career had been a remarkable and eventful one. Many years ago he became a floating pilot in the employ of Porter Moon, of Hannibal, Mo., and had followed that calling for the past twenty years. In those days pilots received \$3,000 per season, and Shea being frugal saved his money until he had amassed quite a fortune. Later he became addicted to the use of whisky and soon ran through his entire fortune. It is related of him that he wore kid gloves the year around and was a splendid dresser, which earned for him the sobriquet "Dude of the River." He made Hannibal his headquarters and had a suit of rooms in that city that cost him \$15 per day. About five years ago he abandoned piloting. Last week he was found by a police officer during a heavy rain, his head lying in the gutter and the water running into his mouth. He was removed to the hospital where he died. He was known by every river man upon the Upper Mississippi.

Deafness Cannot be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
